

Dear Lord

I bring my friend to Your throne today.

I ask for Your grace and mercy in her life.

Give her direction and guidance. Most of all, help her
to know that she is loved, and has a valuable place
in Your kingdom family. Walk close beside her this week
and keep her reminded.

Shower my friend with special attention today, Father.

She is such a treasure, and I want her to know that.

Thank you for the gift that is her, and please let her feel
Your presence and care around her today.

Reach into my friend's heart and deliver peace.

Reach into her mess and create stillness.

Reach into her loneliness and soothe

Remind her of me. Remind her of Jesus.

Thank You for the joy she brings me, simply by being in my life.

In Jesus' Name, Amen...
